Last year the rain did not stop hundreds of party goers from embarking on a ship for the Global Alliance of Hispanic Law Enforcement Professionals Dinner.

This year the good weather was on our side! G.A.L.E.P was a huge success, the music was amazing, the cigars were magnificent and the company superb.

NYPD Sgt. Johnny Nunez who heads the organization also honored a business leader and a member of the assembly at this well attended gathering.

Honorees of the event were Felix Ortiz, Assembly member of the 51st District in Kings County and Osterman Javier Burgos.

The event was covered by international press, hosted by the Italian journalist Viola (ViVi) Manuela Ceccarini and by New York Telepremsa directed by Cesar Ordonez

Congratulations GHALEP, Sgt Johnny Nunez,well done !

Look forward to joining you next year once again.

Viola Manuela Ceccarini
