TV Host and Journalist Viola Manuela Ceccarini together with Fashion Editor and Kilame designer Pamela Quinzi, covered the 17th Annual Tribeca Film Festival for Livein-Style Magazine for the second consecutive year.

The program of the festival for 2018 includes 96 movies from 103 different filmmakers, Of the 96 films, 46% of them are directed by women, the highest percentage in the festival's history!!!! This is certainly an encouraging sign for gender equality across the industry.

What does this mean for you? It's a great opportunity to be a part of a community that is interested in you and your work. It's a chance to connect with other people who are passionate about the same things as you are. It's a chance to be part of something big and exciting.
